| Ohio State University | Virginia-Maryland Regional College |
| Oklahoma State University | Warsaw University of Life Sciences (SGGW) Faculty of Veterinary Medicine |
| Olds College, Alberta | Washington State University |
| Ontario Veterinary College | |

【購入者の声】

私は、このテクノロジーを以って、獣医学教育を先導できることに喜びを感じている。学生を夢中にさせ、そして彼らの学習過程を向上させる教育ツール、それこそが真の教育ツールというものだ。「ウシの異常分娩シミュレーション模型」は、独特な教育の経験を学生にもたらず、素晴らしい教育ツールだ。シミュレーション模型はどれも本物に近い。馬を専門にしているエジンバラ大学の私の友人は、馬の腸のシミュレーション模型の出来が素晴らしいということ、そして、学生にとって誠に実用的なトレーニングツールであることに、同意している。

-----ミシガン州立大学 Dr. Coretta Patterson

学生は、これらの模型を使って、その本物のような特徴を学ぶことができ、生きている動物に着手する前に、彼らの基本的な実技や実践的なスキルに磨きをかけることができる。これらの模型は学生にとって安全で、ストレスがかからないというだけでなく、リラックスして学べる方法の1つだ。

-----エジンバラ大学 専任講師 Dr Catriona Bell
